Sindh Technical Education &
Vocational Training Authority (STEVTA)
Government of Sindh

PROSPECTUS

2023-24

Three-Year Diploma of Associate Engineering (DAE)

QUAID-E-AZAM MUHAMMAD ALI JINNAH
MESSAGE ON REORIENTATION OF EDUCATION

(An Extract from message to All Pakistan Educational Conference, Karachi, November 27, 1947)

".. if we are to make any real, speedy and substantial progress, we must earnestly tackle this question and bring our educational policy and program on the lines suited to the genius of our people, consonant with our history and culture, and having regard to the modern conditions and vast developments that have taken place all over the world.

There is no doubt that the future of our State will and must greatly depend upon the type of education and the way in which we bring up our children as the future servants of Pakistan.

Education does not merely mean academic education, and even that appears to be of a very poor type. What we have to do is to mobilize our people and build up the character of our future generations.

There is immediate and urgent need for training our people in the scientific and technical education in order to build up future economic life, and we should see that our people undertake scientific commerce, trade and particularly, well-planned industries.

But do not forget that we have to compete with the world, which is moving very fast in this direction.

Also I must emphasize that greater attention should be paid to technical and vocational education.

In short, we have to build up the character of our future generations which means highest sense of honour, integrity, selfless service to the nation, and sense of responsibility, and we have to see that they are fully qualified or equipped to play their part in the various branches of economic life in a manner which will do honour to Pakistan."

M E S S A G E

SALEEM RAZA JALBANI
Chairperson

CHAIRPERSON'S MESSAGE

"It is an admitted fact that the unemployment and poverty is the foremost challenge of the country, whereas, the rapid development in the technologies and skills have re-shaped the world of work. Accordingly, several windows in the local and international labour market have opened leading to increase in demand & scope of skilled workforce.

In fact, the competitive environment demands the high skilled workforce and confidently I can say that STEVTA having the experienced faculties and the infrastructure is equipping the thousands of youth of the Province with employable and competency-based skills to fulfil the employment needs of the industry, contributed in lowering the unemployment and add value to uplift the socio-economic development in the Province in particular and the country in general of Pakistan."

DR SHEREEN MUSTAFA
Managing Director

MANAGING DIRECTOR' MESSAGE

"In the exiting socioeconomic conditions, especially the poverty & unemployment outbreak due to pandemic situation has realised the nations to equipped, themselves with survival skills to be developed for economic wellbeing of country that largely depends upon the level of human resources development and mainly on level of technically trained labour specially the middle career management. Our country supposedly is considered as a labour surplus economy with a dilemma that number of unemployed youth increasing day in and day out. On the other side of the problem public and private sector, enterprises and employers have been desperately looking for technically educated and trained workforce.

The shortage of skilled labour can be attributed to mismatch between academic curricula, market-oriented skills and trainings and lack of the capability of our technical institution to produce such work force. To encounter these challenges, STEVTA is feeling obliged to attend the best global practices intends to coup up these issues through improving efficiency of TVET administration and introducing market oriented academic Programs, trainings, and developing industrial linkages.

It is a matter of fact that globally Technical & Vocational Training and Education (TVET) is considered to be a major source of reducing unemployment and poverty. But it is also a world-wide trend that people prefer formal education as their first choice and join TVET as their last option. There is greater need to change this perception, encourage, and promote technical and vocational training.

STEVTA is committed to increase the awareness level to attract more of our youth towards Technical Education and Vocational Training. This is being done by envisaging to improve our academic programs, strengthening institutional infrastructure, ensuring the transparency in admission process and imparting quality education and training.

STEVTA believe on support & services for TVET aspirant, that would be enhanced during Admissions specially the tail effect of pandemic situations to make admission process a one-window operation so that the access of youth from different strata including poor communities of Sindh province in TVET sector be ensured with equity. STEVTA has been incorporating the modern training deliveries and trends of the world and will continue with two-fold efforts."

1. INTRODUCTION

1.1 BRIEF HISTORY

Globalization generates new demands, structures, and systems requiring new skills and knowledge. In today's global economy driven by knowledge, the foremost wealth of a firm is its human capital. Therefore, the Economic Development of a country strongly depends on the level of Human Development that in turn depends on the level of technically trained labour. Skilled labour results in improved productivity for Industry. A country with wide ranging Industrial base generates greater employment opportunities and reduces un-employment and poverty. For optimum performance by Industry, productive workforce is needed to meet economic and social objectives.

Pakistan with a labour surplus economy, on one side has rapidly increasing unemployed youth while on the other end its public and private sector employers desperately look for technically educated and trained workforce. The shortage of skilled labour is due to a mismatch between academic Programmes and market-oriented skills and trainings.

Keeping in view the changing domestic and international labour market requirements and in line with the scheme of reorganization of TVET Institutions adopted by other provinces, Sindh Technical Education and Vocational Training Authority (STEVTA) was established through the STEVTA Ordinance, 2007 (Ordinance XVII of 2007) to streamline the Technical Education and Vocational Training in the province.

After the approval of the Sindh Cabinet in its meeting held on February 28, 2009, the administrative control of all TVET Institutions have been entrusted to STEVTA and subsequently in 2009, the Sindh Assembly passed the STEVTA Bill, 2009 on March 29, 2010, and enacted as The Sindh Technical Education & Vocational Training Authority Act, 2009 on April 20, 2010.

In order to extend complete autonomy for reorganization and effective management, the policy making task has been entrusted to the STEVTA Board of Governors (BoG). The BoG comprises of 20 members, with representation from the Provincial Government (20%), Provincial Departments (50%), and Private Sector (30%).

1.2 PURPOSE

To streamline, strengthen and regulate Technical & Vocational Education and Training (TVET), in line with domestic and international job market requirements, for greater employability of youth of Sindh.

1.3 FUNCTIONS

- Policy Making
- Standardization & Regulation
- Coordination & International Collaboration
- Introduction and Execution of TVET Programmes
- Assessment & Certification

- Engage in Public Private Partnership (PPP)

1.4 VISION

Skills for sustainable socio-economic development.

1.5 MISSION

Provide demand driven skills training to prepare workforce for local and international labour market.

1.6 OBJECTIVES

- Provide quality training and lifelong flexible learning for employability.
- Develop and strengthen Institute-Industrial Linkages (IIL) and Public-Private Partnership (PPP).
- Provide access and equity for informal economy & rural areas.

2.   PROGRAMMES / COURSES

#	Category	Duration	Offered In
1	BS Engineering Technology	4-Year	Government College of Technology (GCT)
2	Diploma of Associate of Engineering (DAE)	3-Year	Government College of Technology (GCT) Government Polytechnics Institute (GPI) Government Monotechnic Institute (GMI)
3	Matric (Technical) / Technical School Certificate (TSC)	2-Year	Government Vocational Institute (GVI)
4	Diploma in Commerce (D.Com)	2-Year	Government Institute of Business & Commercial Education (GIBCEs)
5	Diploma in Information Technology (DIT)	1-Year	
6	Vocational Diploma (G-II & G-III)	1-Year	Government Vocational Training Institute (GVTI) Government Vocational Training Centre (GVTC) Government Vocational Training School (GVS)
7	Competency-Based Training & Assessment (CBT&A)	Level 1 to 4 (6-Month to 2-Year)	Government College of Technology (GCT) Government Polytechnics Institute (GPI) Government Monotechnic Institute (GMI)
8	Short Courses	3-Month to 6-Month	Government Institute of Business & Commercial Education (GIBCEs) Government Vocational Training Institute (GVTI) Government Vocational Training Centre (GVTC) Government Vocational Institute (GVI) Government Vocational Training School (GVS)

For detail of Programmes and courses, please visit our website at www.stevta.gos.pk

3.   STUDENT AFFAIRS

3.1   DISCIPLINE

Trainees are bound for maintaining proper discipline in the institutions as well its surroundings. Any breach of discipline will render the trainee liable to expulsion after due course of procedure.

The Disciplinary Committee shall be the final authority in the matters pertaining to disciplinary action / expulsion, imposition of specific fines, interpretation of rules and all such matters relevant thereto.

3.2   RULES AND REGULATIONS

Trainees are required to abide by the rules and regulations in force. The decision of the Institute Management Committee (IMC) regarding matters pertaining to Trainee affairs shall be final binding on all concerned.

The timetable, as well as the Academic Programme of the institute, may be altered as per requirement at any time, without assigning any reason.

3.3   LEAVE

Prior permission / sanction for Leave shall be mandatory to be obtained from the concerned Head of Institute / Head of the Department, as the case may be, except in cases of an emergency, such as, sickness etc. subject to produce medical certificate from a registered medical practitioner by the concerned trainee.

Leave, even if granted shall not be exempted from any test, examination or other specific assigned task, laboratory or workshop assignment or fulfilment of mandatory attendance as per requirement of the Examination Board.

3.4   ATTENDANCE

The trainee shall be liable to maintain regular attendance. The Head of the Institute shall submit a Monthly Attendance Report to the Regional Director, STEVTA. Admission of the trainee having less than 75% attendance shall be liable for termination / not allowed to sit in examination as per SBTE Attendance Promotion Rule.

3.5   BOOKS AND INSTRUMENTS

Every Trainee shall be required to purchase necessary books, stationery, and instruments at his / her own expenses. The list of books shall be obtained from the concerned subject faculty. Reference books and lending facility are available in library of the respective Institutes.

3.6   INSTITUTE UNIFORM & PROTECTIVE CLOTHING IN LABORATORIES / WORKSHOPS

Trainees are required to wear the prescribed Institute uniform and strictly observe the dressing code.

While working in workshops and laboratories, all trainees shall be required to wear protective clothes, safety goggles and clothing (i.e. Apron of grey colour for both Boys and Girls). Trainees are required to purchase Apron and Safety Goggles at their own expenses.

3.7   ASSESSMENT AND PROMOTION RULES

Assessment and Promotion Rules, 2009 of the Sindh Board of Technical Education are applicable.

3.8   REFUND OF SECURITY DEPOSIT

Application for refund of security deposit along-with clearance certificate maybe submitted within a year from the date the trainee discontinued or pass out his / her training programme.

The claim shall be forfeited, if the trainees does not claim the refund within the prescribed time.

3.9   POWERS OF THE HEAD OF THE INSTITUTION

The Head of Institute, on the recommendation of Disciplinary Committee, shall have absolute power to expel any trainee from the institute or reject his / her Examination Form on disciplinary / misconduct grounds.

4.   SCHOLARSHIP / FEE CONCESSION FOR DESERVING / MERITORIOUS TRAINEES

Fee concession of Full and Half Free-ship in Tuition fee, **for morning programme only,** may be available up to 10% of total enrolment for the deserving / meritorious Trainees, as per policy approved by the Government of Sindh from time to time.

DIPLOMA OF ASSOCIATE ENGINEERING (DAE)

5.   **SCOPE OF DIPLOMA OF ASSOCIATE ENGINEERING (DAE)**

Industry largely depends on technicians for production, efficient operation & maintenance, and back-up support. An Associate Engineer can extend scientific knowledge & skills for qualitative productivity. The Sindh Board of Technical Education (SBTE) in 26 Technologies awards the Diploma of Associate Engineering (DAE) certificates. The Government of Pakistan recognizes 3-Year DAE equivalent to Intermediate for further vertical mobility towards higher studies.

5.1   JOB OPPORTUNITIES

The DAE pass-outs can either proceed for further studies or get employment as Supervisors, Foremen, Sales Engineers, Shift Engineers, Sub-Engineers, Surveyors, Service Station Managers, Auto Engineers, Agricultural Overseers, Farm Managers, Instructors, Workshop Superintendents, IT related Jobs such as Data Consultant, Operators, Website developer, Hardware & Software Technicians, Architect, Office Management (Middle Management) in Public & Private Sector etc.

Moreover, pass-outs may have many opportunities of self-employment (Entrepreneurship) as well.

5.2   HIGHER EDUCATION OPPORTUNITIES

DAE is equivalent to Intermediate (Pre-Engineering). Diploma holders are eligible for following opportunities of further education:

- Bachelor in Science Engineering Technology (BS-Tech)
- Bachelor of Engineering (B.E. / BS Engineering) offered by the Engineering Universities as per their policy.
- Bachelor in Science / Computer / Commerce / Administration / Humanities & Arts

6.   ADMISSION POLICY OF DIPLOMA OF ASSOCIATE ENGINEERING (DAE)

6.1   ADMISSION PROCEDURE

The admission shall be centralized for each District. All Candidates shall specify their preference for **Institute** and **Technology** in order of priority on the Admission Form.

6.2   ELIGIBILITY FOR ADMISSION

6.2.1   ENTRY QUALIFICATION

- Technical School Certificate (TSC) / Matric Technical with minimum 40% Marks OR

- Secondary School Certificate (SSC) / Matric Science or Equivalent with minimum 40% Marks OR
- Higher School Certificate (HSC) / Intermediate (Pre-Engineering) or Equivalent with Minimum 40% Marks.

6.2.2   INELIGIBILITY / DISQUALIFICATION

- Less than 40% marks in SSC (Science) / TSC / HSC (Pre-Engineering)
- Failing in any Subject of SSC (Science) / TSC / HSC (Pre-Engineering)
- Not within Age brackets as specified below.
- *In case of overage,* failure to submit request for upper age relaxation with Admission Form.
- *In case of overage*, if the relaxation in upper age limit is not granted by the authority concerned within 30 days of making such a request.
- Any form without attachment of deposit voucher / slip.
- Any attempt directly or indirectly to influence / intimidate Admission authorities.
- In case of any entry in the Admission Form found incorrect, incomplete, or illegible.
- Any alteration or manipulation in the Admission Form / Documents.
- Parallel admission in any other educational institution or Board in the same shift.

6.2.3   UPPER AGE LIMIT

Programme	Upper Age Limit
Morning Programme (MP)	22 Years
Double Shift Programme (DSP)	
Self Help Basis Evening Programme (SHBEP)	35 Years

6.2.4   UPPER AGE LIMIT RELAXATION PROCESS

i.   Overage Candidates may apply for relaxation in the upper age limit by submitting an application for Age Relaxation along with attested Computerized National Identity Card (CNIC) / Child Registration Certificate (CRC) or B-Form and Matric or Equivalent Educational Certificate in the desired Institute.

ii. Overage Candidates must submit the Application for relaxation in the upper age limit along with the duly-filled Admission Form **before or by last Date of submission of Admission Form**.

iii. The concerned Head of Institute is responsible for processing of all applications for relaxation in the upper age limits of the Candidates, as per Admission Policy.

iv. **The provisional admission shall stand cancelled if the relaxation in upper age limit is not granted by the authority concerned within 30 days of making such a request.**

NB:
The Privately Managed Institutes (PMIs) may forward all Overage cases directly to the Director (Academics & Training), STEVTA HQ, Karachi along with Age proofing document (i.e. attested Computerized National Identity Card (CNIC) /

Child Registration Certificate (CRC) or B-Form and Matric or Equivalent Educational Certificate), and the copy of STEVTA Registration / Renewal Certificate of such programme **before or by last Date of submission of Admission Form**.

6.3 AUTHORITIES OF UPPER AGE RELAXATION

Age Relaxation	Programme	Responsibility
Up to 02 Years	Morning Programme (MP)	Head of Institute
	Double Shift Programme (DSP)	
	Self Help Basis Evening Programme (SHBEP)	
02 to 07 Years	Self Help Basis Evening Programme (SHBEP)	Regional Director, STEVTA
07 to 10 Years	Self Help Basis Evening Programme (SHBEP)	Director (Academics & Training), STEVTA HQ

6.4 GENDER MAINSTREAMING POLICY

To promote gender equality and equity, Female Candidates are allowed to take admission in Male institutes, as per merit / policy.

7. ALLOCATION OF SEATS

7.1 ALLOCATION

#	Category	Percentage Distribution		Distribution of 50 seats
		Percentage	Detailed Breakup	
1	Open merit (District of Admission)	60%	a) Technical School Certificate (TSC) / Matric (Technical) b) Secondary School Certificate (SSC) / Matric (Science)	24
			a) Higher School Certificate (HSC) / Intermediate (Pre-Engineering)	06
2	All Sindh basis (excluding District of Admission)	30%	a) Technical School Certificate (TSC) / Matric (Technical) b) Secondary School Certificate (SSC) / Matric (Science)	12
			a) Higher School Certificate (HSC) / Intermediate (Pre-Engineering)	03
3	Reserved Seats	10%	**For distribution of seats please see 7.2**	05

NB:
a. In case, any seat from the **All Sindh Basis & Reserved Seats** categories remains unutilized by the Final Merit List, it may be converted into **Open Merit Seats**.
b. Candidates with HSC / Intermediate (Pre-Engineering) qualification shall be only considered for admission against the quota reserved for HSC / Intermediate (Pre-Engineering)

7.2 DISTRIBUTION OF 10% RESERVED SEATS

#	Percentage	Category / Group	Number of Seats
A	05%	Children of Defence Personnel	i. Army = 30 seats ii. Navy = 10 seats iii. Air Force = 10 seats

		Reserved seats for special zones	i. Makran Division, Baluchistan = 50 seats ii. Azad Jammu & Kashmir = 02 seats iii. ex-FATA = 02 seats iv. Northern Areas = 01 seat
		Reciprocal basis	i. Punjab = 22 seats (Boys = 20, Girls = 02) ii. KPK = 12 seats (Boys = 10, Girls = 02) iii. Baluchistan = 12 seats (Boys = 10, Girls = 02)
		Candidates with Disability	01% of the total 05% of reserved seats
B	03%	Real Sons / Daughters / Sisters / Brothers of the Employees of STEVTA, Sindh Board of Technical Education (SBTE) and Sindh Trade Testing Board (STTB)	03% of the total seats
C	02%	Transgender Person	02% of the total seats

NB:
a. All applicants for admission on reserved seats should apply through their respective Agency / Department / Provincial Technical Education & Vocational Training Authorities (TEVTAs).
b. In each class, not more than one Candidate shall be allowed admission from each category.
c. The admission to nominated Candidates shall be allowed purely on merit within category / group.

8. ADMISSION PROCESS

8.1 PURCHASE & SUBMISSION OF ADMISSION FORMS

Prospective Candidates may obtain Admission Forms and Prospectus from STEVTA website (www.stevta.gos.pk) for **FREE**. Moreover, prospective Candidates may also obtain the Admission Form in Hard Copy against prescribed Fee (**PKR 100/-**) from any Technical Institutes i.e. Government College of Technology (GCT), Government Polytechnic Institute (GPI) or Government Monotechnic Institutes (GMI), all over the province.

The prospective Candidate shall submit the duly-filled Admission Form, along with all requisite documents, in the desired STEVTA Institutes for admission within due date. No form shall be accepted after the due date mentioned below.

8.2 PROCEDURE FOR ADMISSION AGAINST RESERVED SEATS

Candidates seeking admission on Reserved Seat, may apply through the concerned Department within due date. Only nominations received through proper channel and within due date shall be entertained.

8.2.1 Reserved Seat for Children of Defence Personnel

- Candidates who are children of Army Personnel may apply through The General Headquarters, Rawalpindi only.
- Candidates who are children of Navy Personnel may apply through The Naval Headquarters, Islamabad only.

- Candidates who are children of Air Force Personnel may apply through The Air Headquarters, Peshawar only.

8.2.2 Reserved Seat on Reciprocal Basis

Candidates seeking admission on Reciprocal seats may apply through the respective Technical Vocational Education Authorities (TEVTAs), e.g. Punjab domicile Candidates may apply through Punjab TEVTA Headquarters, Lahore.

8.2.3 Reserved Seat for Special Zones

- Candidates applying on Reserved seats for Makran Division, Baluchistan may apply through concerned nominating Authority for Makran Division, Baluchistan.
- Candidates applying on Reserved seats for ex-FATA Region may apply through The Home & Tribal Affairs (HTA) Department, Government of Khyber Pakhtunkhwa, Peshawar.
- Candidates applying on Reserved seats for Azad Jammu & Kashmir may apply through The Nomination Board, Azad Jammu & Kashmir.
- Candidates applying on Reserved seats for Northern Areas may apply through the Kashmir Affairs and Northern Affairs (KANA) Division, Government of Pakistan.

8.2.4 Reserved seats for Person with Disability

Candidates applying on Reserved seats for Person with Disability may submit an attested copy of their Special Computerized National Identity Card (SCNIC), issued by the National Database & Registration Authority (NADRA), along with the Admission Form in the desired institute within due date.

8.2.5 Reserved seats for Transgender Person

Candidates applying on Reserved seats for Transgender Person may submit an attested copy of their Computerized National Identity Card (CNIC), issued by the National Database & Registration Authority (NADRA), along with the Admission Form in the desired institute within due date.

8.2.6 Reserved seats for Real Sons / Daughters / Sisters / Brothers of the Employees and Employees of STEVTA, SBTE and STTB

Candidates seeking admission on Reserved seats for Real Sons / Daughters / Sisters / Brothers of the Employees and Employees of STEVTA, Sindh Board of Technical Education (SBTE) and Sindh Trade Testing Board (STTB) shall submit the applications to Regional Directorate through the Head of Institutions / Offices within due date.

8.3 DOCUMENTS SCRUTINY & VERIFICATION

The Provisional Selection of the prospective Candidates shall be subject to verification of Documents from the respective Boards of Education or Certificate issuing authority. The cost incurred on the verification of certificate(s) shall be borne by the Candidate at his/her end. However, **PKR 150/-** shall be paid by the Candidate at the time of admission for Document Scrutiny fee / services provided by the Institute during the admission process.

9. TIMING OF THE CLASSES

Working Days	Contact Hour / Period Duration	# of Periods	Morning	Evening
Monday to Thursday & Saturday	45 Minutes	07	8:30 AM - 1:45 PM	2:00 PM - 7:15 PM
Friday		06	8:30 AM - 1:00 PM	2:30 PM - 7:00 PM

10. FEE STRUCTURE

NB:

1. The Self-Help Basis Evening Programme (SHBEP) shall only be offered on the condition that the **minimum enrolment is not below Twenty (20) trainees**.

2. **In case of less than Twenty (20) trainees enrolled in a Self-Help Basis Evening Programme (SHBEP),** the Institute shall cancel the programme and refund the fee in full to the Candidate or may transfer them in other Programme or as the case maybe on Merit basis only.

GENERAL INSTRUCTIONS

➢ Please fill in the Admission Form neatly and carefully in your own handwriting or typed.

➢ Please fill in your "CATEGORY" as per status of Domicile / Permanent Resident Certificate (PRC).

➢ Please attach the duly-filled Undertaking / Affidavit (given in Admission Form) on the stamp paper costing **PKR 50/-**, attested by the Oath Commissioner.

➢ Please attach the attested copies of all the following documents / certificates (in duplicate):
  o School / College Leaving Certificate, if applicable.
  o Matriculation Certificate showing the Date of Birth (Original / Provisional).
  o Marks Sheet of Matric (Technical) / Matric (Science) / High School Certificate (Pre-Engineering) or Equivalent from the relevant Board.
  o Vocational Certificate, if mentioned as an additional qualification.
  o Six recent photographs duly-attested.
  o Domicile Certificate of the Candidate or his / her father (showing Candidate's name) and Permanent Residence Certificate (PRC).
  o Hafiz-e-Quran certificate, if applicable.
  o Migration Certificate (after admission).

➢ Original deposit slips of Admission Form (**PKR 100/-**) and Prospectus (**PKR 120/-**), if purchased Admission Package in hard copy from institute. However, the fees does not apply on the candidates who have downloaded the Application Form and Prospectus from STEVTA website (www.stevta.gos.pk).
