FINAL MINUTES OF 36th MEETING OF STEVTA BOARD OF GOVERNORS HELD ON 13th MAY, 2026

The 36th meeting of Sindh TEVTA Board was held on 13th May 2026 at 2:00 p.m. in the conference room of STEVTA HQs, Karachi under the chairmanship of Mr. Junaid Buland, Chairperson, Sindh TEVTA / Special Assistant to Chief Minister (SACM) Sindh. Accordingly, draft minutes were issued on 19th May 2026 to all participating members with the request to convey non-conformities / inputs by 25th May 2026, if any, or otherwise the draft minutes will be issued as final minutes for implementation. The status is as follows:

1) 9 out of 10 members did not object to the draft minutes, hence endorsed including the Chairperson / SACM.
2) Member from IT Department specifically shared his endorsement to all contents of the draft minutes.
3) Managing Director / Member and Secretary Sindh TEVTA Board pointed a few typos as under:
    a. Agenda item No. 4.3: The words "Level 1 to 3 courses" at end of discussion, paragraph of agenda item No. 4.3 be deleted"
    b. Agenda 5.2 sub-item 2, the last words in the submission para i.e. "in the cost center of host institute" be substituted with "by the institute"
    c. Agenda 6.5 sub-item 2, in second paragraph, the third entire sentence be deleted starting with the words "Further, it has been observed that the ..." and ending with words "...GVI, Nawabshah & VTC, Jacobabad."
4) Inputs given during meeting by Member from Universities & Board Department was already incorporated at appropriate places, however, he shared his after thoughts / concerns to the draft minutes – which are not accepted with 9/10 members endorsement and as they are contravening to the provisions of Sindh TEVTA Act / Board powers (copy attached with these minutes).

Hence, the final revised version of the minutes is hereby issued for implementation.

2. The meeting started with the recitation of verses from the Holy Quran. The Chairperson Sindh TEVTA / SACM in his opening remarks welcomed the participants.

3. The Managing Director presented item-wise agenda before the Board for discussion / decisions:

Item No.	Agenda Description	Discussion / Observations	Decisions
1	Review & implementation status of 35th BoG meeting dated 11/7/2025	The Managing Director STEVTA apprised the Board with the implementation status and progress review of decisions made in 35th meeting held on 11th July 2025. He informed that the minutes were shared with all participating Board members. No observation / non-conformities were received. Accordingly, the final minutes were circulated for implementation.	The board reviewed the implementation status and confirmed the minutes of 35th meeting.
2.1	Baseline survey – basic missing facilities	The Secretary Board / Managing Director informed that in order to assess the current situation of institutions, a digital survey was conducted by Sindh TEVTA to assess the situation of basic facilities and infrastructure. He shared highlights of the survey and condition of existing infrastructure / buildings.	The Board supported and desired to carryout immediate repair & maintenance of institutes in phased manner.

2.2	Faculty & staff: Enhancement of CFY allocations – Sindh Govt	The Board was apprised that Sindh TEVTA is operating its institutes with only 40% faculty (out of which 50% is teaching support staff since 2012). Due to shortage of staff, academic activities are seriously suffering leading to sharp decline in student enrolment, maintaining quality training and meeting national / international accreditation standards. The matter was taken up with Govt of Sindh, Finance Dept / CM Sindh by Chairman Sindh TEVTA / SACM, and additional allocation in CFY is committed for meeting shortfall and engaging visiting faculty for ¼ of total positions in next FY. The Director U&B suggested to make deletion / shifting of positions (from budget book to single line) subject to concurrence of Finance Department and SGA&CD through U&B Department. Deputy Secretary Finance highlighted the importance and requested Director U&B that soon after approval by BoG, the Administrative Department / U&B needs to notify / communicate its endorsement, so as to reflect the same in budget book.	The Board appreciated the efforts of Sindh TEVTA management, and directed to expediate the matter in accordance with applicable laws / rules.
2.3	Establishment of Driving Schools	The Managing Director shared the need and importance of Driving Schools and LTV/PSV/HTV training. He highlighted that Sindh, with its industrial hubs, requires certified drivers to match industry needs in addition to demand in international job markets including, GCC and EU countries for Heavy Truck and Bus Drivers, Youth from Punjab and Khyber Pakhtunkhwa now dominate the overseas driving workforce due to stronger migration networks / training facilities. Sindh TEVTA under Public Private Partnership (PPP) is establishing initially 5-6 state of art driving schools at Karachi, Dadu, Mirpurkhas, Nausheroferoze, Sukkur and Larkano with following facilities: ✓ Train and certify LTV, HTV and PSV drivers across the centers. ✓ Improve youth access to local and international job markets. ✓ Enhance safety standards through controlled simulator and on-road training. ✓ Establish licensing facilitation through coordination with Sindh Police / DLD. ✓ Develop exportable skilled workforce aligned with GCC, EU and Eastern market requirements. The initiative will be executed under Public Private Partnership in identified institutes through Transaction Advisor in accordance with provisions of PPP Act / policies.	The members highly appreciated the initiative and endorsed the need / importance of driving schools in Sindh for promoting export of drivers and their employment in local market.

Item No.	Agenda Description	Discussion / Observations	Decisions
		Mr. Shaheen Ilyas Sarwana appreciated the initiative and suggested to include Arabic (and other language) courses to enhance overseas employment of the graduates in GCC market.	
2.4	Solarization of Institutes	The Secretary Board apprised that in view of the prevailing energy challenges, rising electricity costs, and frequent power outages, it is very difficult for Sindh TEVTA institutes to operate / perform the training and academic activities. Therefore, a request has been submitted to Energy Department for provision of solar systems for STEVTA institutes and offices across the province. The representative of IT Department endorsed the proposal to make the institute sustainable.	The Board endorsed the request.
2.5	Establishment of STEM Labs	The Managing Director apprised that the rapid transformation of industry through automation, artificial intelligence, robotics, renewable energy, and digital technologies necessitate modernization of technical training infrastructure. To align Sindh TEVTA institutions with national and international skill standards, Sindh TEVTA is establishing STEM (Science, Technology, Engineering & Mathematics) Labs in selected Model Institutes across Sindh under the existing budget provisions, and no additional funds will be required.	The Board appreciated the initiative.
2.6	Digital challan – online receipt / payments – Sindh Bank	The members were apprised that presently, Sindh TEVTA collects student fee largely through manual challans and over-the-counter bank. This system causes delays in reconciliation, creates administrative burden at institute and head office level, limits real-time financial visibility. It poses risks of human error and financial leakages. Sindh TEVTA has obtained a business requirement proposal from Sindh Bank for payment of student fee and system integration through PSID / UTRN initially for self-help-basis program.	The Board endorsed the proposal.
2.7	Employment Exchanges merger	The Managing Director shared that after establishment of Sindh TEVTA, 17 employment exchanges, one Regional Office and 3 Vocational Guidance Units were transferred to Sindh TEVTA in 2017. Out of 17, 8 were housed in rented and 2 shared spaces. In order to rationalize the resources, the existing employment exchanges working in rented buildings are shifted to nearby own spaces (Regional Offices / Institutes) with a recurring saving of PKR 1.5 million annually. Moreover, the overlapping functions have been reviewed / redefined to optimize the use of different offices.	The Board endorsed / appreciated the initiative.
2.8	Establishment of Model Institutes	The Secretary Sindh TEVTA Board shared that Sindh TEVTA receives limited development funds under Annual Development Program (ADP) for both new and on-going schemes and funds under maintenance & repair (M&R). To	The board appreciated and desired to add more

		optimize resources, present management has revised budget priorities by focusing on phased upgradation of selected institutes as model institutes. Under the current financial year, 10 institutes are being upgraded / renovated with provision of equipment / machinery and deployment of faculty. Chairperson Sindh TEVTA emphasized his commitment to ensuring high-quality standards and transforming these institutes into state of art training facilities in Sindh. Mr. Shaheen Ilyas desired the Management to present the detailed progress on Model Institutes in forthcoming meeting.	institutes in phased manner on annual basis.
2.9	Establishment of Sub-campuses in Jails	The Chairperson Sindh TEVTA shared that rehabilitation and social reintegration of prisoners has been made a key pillar of modern correctional policy of Sindh Government through Sindh TEVTA. In collaboration with Sindh Prisons Department, Sindh TEVTA has established Sub-Campuses in selected Central and District Jails to deliver market-driven skills training to inmates. In first phase, STEVTA sub-campuses have been established in Karachi, Thatta, Hyderabad, Mirpurkhas and Sukkur. Mr. Shaheen Ilyas requested Sindh TEVTA management to move a proposal to Government for reduction of sentence for those completing skills training to encourage the prisoners to become a contributing part of society.	The Board endorsed the initiative and desired to expand it to other Jails of Sindh and moving a proposal to Government for reduction of sentence of prisoners completing Sindh TEVTA training.
2.10	Donor collaboration – EU / ILO / ADB	The Managing Director apprised the forum that present management has proactively engaged development partners for structured, multi-year collaboration to strengthen institutional capacity and expand access to quality skills training and reforming provincial TVET system with their support. Following support is expected from the donors: • **EU** Green skills | Digitization | Skills 4 Women | Migration • **ILO** Skills for Decent Work | RPL | Apprenticeship • **ADB** Infrastructure | Care Economy Governance | PPP He shared his recent Islamabad visit and the commitment / interest shown by these partners.	The members appreciated engagement of development partners.
3.1	Approval of staff outsourcing policy, 2026	The Managing Director shared that Sindh TEVTA is mandated to provide employable skills to youth across Province with its network of 259 institutes. However, it is facing acute shortage of faculty and staff. Presently, 137	The Board approved the Visting Faculty and Staff

In order to ensure uninterrupted academic operations, flexible staffing aligned with academic calendars, rapid deployment of qualified faculty, a comprehensive Faculty and Staff Outsourcing Policy, 2026 is formulated as cost-effective HR provision solution. The draft policy provides a structured framework for engaging visiting faculty, contractual managers, and support staff through third-party service providers on an annual outsourcing basis. The Managing Director shared that the policy / plan was prepared on the guidelines of the Chief Minister Sindh / Finance Department and has been shared with Finance Department as an advanced copy. The Finance Department raised concerns over monthly fixed remuneration for visiting faculty in-lieu of hourly basis. The Deputy Secretary Finance re-emphasized on the stance during the Board meeting. The HR Department presented a case of Contractual Managers (being engaged as head of model institutes). Engagement of them on hourly basis will not be possible on the proposed arrangement and requested the Board members to give a way forward to the extent of Contractual Managers / Incharge of Model Institutes. The Board members agreed with the Department's stance. The Deputy Secretary Finance endorsed to the extent of 25 contractual managers which may be engaged on monthly basis and all other slots of visiting faculty on hourly basis for the best utilization of funds / resources. The representative of IT Department endorsed the proposal and shared his department's case study. Director U&B suggested to engage teachers / principals from general education department. Chairperson Sindh TEVTA refuted the proposal as the principals / teachers of general education are irrelevant / non-technical. He further shared his previous discussion and progress made so far during the several meetings held with Chief Minister Sindh, Chief Secretary and Finance Secretary on the matter.	Outsourcing Policy, 2026 through 3rd party with the changes as follows: 1) Visiting Faculty slots on hourly basis 2) Contractual Managers / In-charge Heads on fixed monthly basis only for 25 institutes.
3.2	Approval of engagement of Faculty, managers and other allied staff	In order to fill the faculty and staff gap, Sindh TEVTA intends to engage qualified instructional and support staff through 3rd party service provider under the above proposed policy. Secretary Board highlighted that this mode of engagement is a cost-effective and performance based human resource engagement solution. Although there is gap of around 55% overall in all institutes / offices managed by Sindh, but in the initial phase, and to meet the immediate shortage of staff, around ¼ of staffing will be made. <tr><td>3.3</td><td>Approval of method of appointment to various posts (authority positions)</td><td>The Managing Director apprised the Board that Sindh TEVTA is established by Government of Sindh as an autonomous body under STEVTA Act 2009. Under Section 14 the Act, the Board has powers to create post (authority own positions) and appoint staff under STEVTA Appointment, Posting and Transfer (APT) Rules, 2012. Accordingly, the Board from time to time created various positions for operationalization of offices and institutes. In its 28th meeting, the Board rationalized positions of Director and placed them in BS-19/20, and the recruitment / promotion method prescribed for BS-19 was being followed in this case. However, after further review by Board in 35th meeting, the Board placed all Director positions in BS-20 under revised organogram. However, the recruitment / promotion method for these positions needs to be defined under Section 14 of STEVTA Act as follows:

Addition in appendix-A of APT Rules, 2012

Item No.	Agenda Description	Discussion / Observations	Decisions
3.4	Approval of Sindh TEVTA Institute Transformation Plan	The Board was apprised that Sindh TEVTA administers 259 institutes across Sindh. Out of these 206 have own buildings, and 53 are operating in premises / building of institute having own building for decades. They are functioning independently in administration but sharing same building infrastructure. ***For example, GMI Gulistan-e-Johar and GIBCE Gulistan-e-Johar (with no own building) are operating in GPI Sachal Goth (own building).*** This historical arrangement has resulted in operational duplication without functional separation. The continuation of two independent institutional identities within one campus has led to duplication of administrative records, multiple institutional codes, parallel reporting systems, confusion in students while enrolment, fragmented branding and mainly inefficient utilization of human and physical resources. Despite being co-housed, these institutes operate under separate names, creating avoidable administrative complexity. It is therefore proposed that such institutes may be merged with the new identity retaining: 1) All trades/courses previously offered by them under umbrella of one institute 2) All employees shall retain existing positions / no transfer and posting required 3) Institute from different stream will retain all existing positions / no seniority merger or any hardship to employees 4) Funds / financial allocations be retained as one (C = Institute A + Institute B) 5) No physical relocation, as they are already operating in same premises The Sindh TEVTA Board under clause iv of section 4(1) of Sindh TEVTA Act has the powers to undertake restructuring of institutes including merger, closure, overhaul for cohesive, rational and effective institutional framework. Director U&B suggested to seek concurrence from SGA&CD and Finance Department. The Deputy Secretary Finance responded that it only requires approval of this Board, endorsement by Administrative Department. Finance Department will proceed accordingly as per its own policies / procedures.	Board appreciated the transformation plan and endorsed it for further concurrence by Finance Department / incorporation in Budget Book for FY 2026-27.

Item No.	Agenda Description	Discussion / Observations	Decisions
3.5	Shifting of redundant positions and rationalization of operational budget	The Secretary Board apprised the members that Sindh TEVTA under its Act, manages institutes and administrative units across Sindh through decentralized cost-centres shifted to it from three different Government departments. Due to restructuring, trade rationalization, shifting training priorities, and rapid retirement of civil servants transferred to Authority: 1) Several sanctioned posts remain vacant for long periods 2) Some posts have become functionally redundant with no feeding employee 3) Certain operational budget heads remain underutilized / with shortfall 4) Funds remain fragmented across cost-centres He therefore proposed that: 1) Redundant and long-vacant sanctioned posts may be shifted from individual cost-centres to Sindh TEVTA under a Single-Line Grant-in-Aid mechanism. 2) Operational budget (non-salary) allocations be rationalized / enhanced to meet the routine Repair and Maintenance of institutes / offices. Director U&B suggested that civil servant positions reserved for promotion shall be excluded from the plan. The Managing Director shared that all efforts are given not to include such positions. Chairperson Board shared that although several positions are marked for promotion, but they have no any feeding employees, and are lying vacant for long time. Managing Director apprised that it is not deletion of positions but shifting of budget for those positions to single-line grant / Authority's pool for best use in public interest.	The Board approved the proposal by majority.
3.6	Branding – Sindh TEVTA logo redesigning / inclusive design	Sindh TEVTA, since its establishment is playing a pivotal role in delivering skills training across the province. The scope of operations has significantly expanded to include IT & Digital Skills, Industrial & Engineering Technologies, Hospitality & Services, Domestic & Community Skills, Entrepreneurship & Self-Employment, Inclusive and Special Needs Training. The existing logo was designed during the initial phase of Authority and does not adequately reflect the present strategic vision and diversified mandate. Therefore, it is proposed to review the existing design of Sindh TEVTA logo showing transitioning from a conventional technical training body to a modern, industry-driven, demand-led skills authority. The new logo reflects 1) Innovation, 2) Digital transformation, 3) Employment	The Board approved option-3 of the proposal.

4.1	Amendments in STEVTA Act (PMI)	The Chairperson Sindh TEVTA shared that Authority as provincial apex body regulates and promotes skills training in Province. Over the period of time, the TVET landscape has expanded significantly, particularly in the private sector, without a comprehensive and enforceable provincial regulatory framework. He shared that a draft Bill was prepared and submitted to the Law Department for vetting through U&B. The draft is vetted by Law Department in process for submission to Assembly for consideration. Mr. Johar Ali Qandhari shared that NAVTTC also does registration of institutes and certification. Chairperson apprised that here in Sindh province, Sindh TEVTA has the role to register institutes. NAVTTC does not have the powers at the moment to register institutes in the provinces. However, to the extent of Certification, all TEVTAs follow Federal / NAVTTC guidelines. Mr. Kamran Arabi suggested to make the registration system a very simple preferably a digital process for ease of public.	The Board approved the amendments in the proposal.
4.2	Composition of Registration & Quality Assurance Committee (RQAC)	The Board was informed that in accordance with preamble of STEVTA Act, it has to manage and regulate TVET institutes in the province and for matters connected therewith and ancillary thereto. Accordingly, STEVTA has mandate to register the Privately Managed Institutions under the prescribed rules of the Government of Sindh. To ensure the quality and standards of Privately Managed Technical, STEVTA Board in its 31st meeting approved constitution of	The Board approved the re-composition and terms of reference of the committee with following changes:

		RQAC. However, for the ease of doing business and smooth disposal of the business, the terms of reference and composition as attached in the Working Paper. Industry representatives suggested to include an industry member in the committee for greater ownership. Managing Director endorsed the proposal and requested industry representatives to suggest / share a pool of three persons. Sindh TEVTA will ensure inclusion of a industry nominee based on their availability from the pool.	"Inclusion of a member from industry"
4.3	Approval of revision of Fee / Charges - PMI / Experts / Members	The Board was informed that STEVTA in accordance with the provision of Act, registers and controls privately managed institutes in Sindh through Registration and Quality Assurance Committee (RQAC). A service fee is charged from institutes interested in registration to meet the expenditure like: physical verification visits, inspection, report writing / printing, travel & lodging and expert fee for provision of above services. Due to inflation and price hike, the existing fee being charged from institutes does not cover the expenses incurred on the activity. Therefore, it is proposed review the fee as proposed in the working paper. Deputy Secretary Finance suggested double the Registration fee than the renewal fee.	The Board approved the revision of fee as proposed in the working paper with the changes suggested by Deputy Secretary Finance.
4.4	Approval of Training Program – Transgenders	The Managing Director apprised that to integrate marginalized transgender youth into the TVET system and equip them with employable skills for decent and sustainable livelihood; a dedicated initiative has been developed. The training will be provided free of charge, with all applicable STEVTA and STTB fees formally waived for the participants. This program aims to promote inclusive technical and vocational education and training (TVET) and ensure the empowerment and socio-economic uplift of the transgender community, as outlined in the working paper. He therefore proposed that: 1) Approval to initiate a separate skill-based training program for the transgender community at GVTC Jacob Lines, Karachi. 2) Approval to impart training free of charge by waiving STEVTA fee and the Sindh Trade Testing Board examination fee. 3) Approval for the engagement of visiting faculty for program delivery. 4) Approval to provide a monthly stipend of Rs. 5,000 to each enrolled participant. 5) Approval for allocation of a budget amounting to Rs. 6,100,000 for FY 2025–26.	Board appreciated the intervention and approved the program at proposed cost with the following revision: Stipend @ Rs. 10,000 per trainee / month The total cost be revised after adding above amount / corrections in the figures.

4.5	Approval of Training Program – Performing Arts	The Chairperson Sindh TEVTA shared that since the arts and music rely heavily on skilled performance, particularly instrumental mastery and artistic vocal expression, this industry has traditionally been nurtured through non-formal, practice-based training methods. However, with the integration of technology, the music industry has evolved into a more vocational field. Recognizing the growing market demand and emerging opportunities within the music and arts sector, there is a clear need for formal vocational training programs. In response, and based on consultations with industry stakeholders, STEVTA is set to introduce certificate courses tailored for the music industry. The August forum is requested to approve the following provisions for the proposed Skill-Based Training Program in Arts & Music trades: 1) Approval to launch skill-based training program in Arts & Music 2) Approval for engagement of visiting faculty to deliver the program. 3) Approval for allocation of budget as proposed above for FY 2025–26. 4) Approval for renovation and repair of GPI (B) Jacoblines building	The Board appreciated the intervention and approved the program.
4.6	Joint Venture – Dept. of Empowerment of Persons with Disabilities	The Chairperson shared that Chief Minister Sindh directed to handover STEVTA's underutilized buildings to DEPD for setting up skill development centers for persons with disabilities. Department of Empowerment of Persons with Disabilities (DEPD) is a specialized department of Government responsible for formulating and implementing progressive policies, programs, and services for persons with disabilities (PWDs) throughout the province. A joint venture between DEPD and STEVTA was proposed during a meeting held between STEVTA and DEPD on 18th Dec 2025. Under the proposed arrangement, following STEVTA institutes will be adopted by DEPD under Adopt-A-School Program of the Sindh Education Foundation for exclusive implementation of skill development programs for Persons with Disabilities (PWDs): 1) **Govt. Institute of Business & Commercial Edu (GIBCE), Mirpurkhas** 2) **Govt. Vocational Training Centre (VTC) SITE, Hyderabad**	Board approved the joint venture with DEPD and emphasized to enhance such interventions.

		In second phase, the following institutes will be engaged under a sharing model: 1) **Government College of Technology SITE Karachi** 2) **Government Monotechnic Institute (GMI) Sector 5-J, New Karachi** He further shared that a summary to Chief Minister Sindh is moved by administrative department. Ex-post facto approval of the STEVTA Board is requested to the joint venture.	
5.1	Approval of consultancy services	The Managing Director apprised that with approval of Chief Minister, Sindh, 1/3 institutes were marked to be operated as Public Private Partnership. Accordingly, a Request for Proposals (RFP) for hiring consultancy services to undertake the Feasibility Study and Transaction Advisory Services for outsourcing of those TVET institutes was launched in accordance with the rules of the Sindh Public Procurement Regulatory Authority (SPPRA). In response to the RFP, following three organizations submitted their proposals within the prescribed timeline: i. M/s Alam and Aulakh ii. M/s International Consultant Associates iii. M/s A F Ferguson The Director IL&PPP shared that the Consultant Selection Committee carried out a detailed and transparent evaluation of the bids against the notified criteria. M/s A F Ferguson achieved the highest technical score. The committee recommended award of consultancy contract to M/s A.F. Ferguson & Co. (PWC). The Competent Authority had approved the issuance of letter of Award in favour of M/s A.F. Ferguson & Co and award was issued on 9th March 2026. Further, an execution contract agreement needs to be signed.	The Board endorsed the engagement of consultancy services after fulfilment of codal formalities in accordance with relevant rules / regulations / polices.
5.2	Approval of Memorandum of Understandings with existing partners	The Secretary Board apprised that Sindh TEVTA has undertaken several partnerships under PPP with the approval of the then management as follows: **1. Government Monotechnic Institute, Nausheroferoze with IBA Sukkur**: With the approval of Chief Minister, MoU was signed on 07/06/2011 with IBA Sukkur for collaboration in GMI Nausheroferoze Building and offering skill development programs alongwith their own educational and community programs. After its initial expiry of the MoU, it was further extended for another period of 5 years (7 Jun 2016 – 6 Jun 2021). Since, then no MoU is signed / extended till to date.	Board approved the renewal of MoUs / agreements subject to compliance with the applicable laws.

Item No.	Agenda Description	Discussion / Observations	Decisions
		Submission: A fresh renewal MoU needs to be signed for the period from 7/6/21 to 6/6/2031 (10 years) covering lapse and forthcoming 5 years period. Sindh TEVTA Board under Section 4 (viii) has the powers to approve the intervention / MoU. **2. Shaheen Vocational Training Institute, Jacobabad with PAF:** Sindh TEVTA entered into joint collaboration with PAF in 2011 with the approval of then Chairperson Sindh TEVTA through an Agreement and extended from time to time. The last agreement expired on 8 Mar 2026. The Sindh TEVTA requested Finance Department, Government of Sindh for annual grant on the pattern of Pano Akil Institute of Technical Education (PITE) and for renewal of agreement to Law Department for its vetting. The Finance Department advised to renew the agreement which falls under the Sindh TEVTA Board of Governors and utilize existing allocation for CFY after completing codal formalities. Furter, Sindh TEVTA has requested Finance Department for creation of dedicated head of budget in next FY for the collaboration with PAF on the pattern of PITE. **Submission**: Board may like to approve extension of agreement from 9/3/2026 to 8/3/2031 (5 years). 		the approval of the Board of Governors and allow release of funds from CFY. **Submission**: The Board may like to approve extension of agreement from 15/08/2025 to 14/08/2030 (5 years). The Board is competent authority to approve the agenda as per Section 4 (viii), 7 (a) & (f) of the Act and allow release of funds from CFY R.E after fulfilment of codal formalities. The Deputy Secretary Finance inquired whether the proposed MoUs / agreement are vetted by Law and has the forum powers / authority to do so after promulgation of PPP Act. If not, he requested Sindh TEVTA to ensure proper compliance of the relevant laws / rules for all interventions under PPP. In response, the Director IL&PPP Sindh TEVTA, apprised that MoU / agreements are vetted by Law Department.	
5.3	Ex-post facto approval of MoUs	With the approval of the then Managing Director / Chairperson Sindh TEVTA several interventions were made as follows and require endorsement of Board: **1. MoU with Pak-Arab Refinery Limited (PARCO)** The MoU was signed on 24 Nov 2025 for period of (3) years from effective date. Approval of the MoU between STEVTA and PARCO, in 6 districts of Sindh province in terms of ToT/ Capacity building of Teachers, Need based Scholarships for 50 students and upgradation of labs / Equipment of industry trades. **2. Memorandum of Understanding with Pegham-e-Pakistan** The MoU was signed on 17th Sep, 2025 for the period of Ten (10) years from the Effective Date. <tr><td></td><td>engaging PIU-PPP Node Staff</td><td>Node in Sindh TEVTA from Cabinet Committee, Government of Sindh, the process for release of budget has been initiated through a note for Secretary (U&B). Subsequently, the advertisement for hiring of consultants and staff for the PIU was published in leading newspapers on 15th Jan 2026. For effective implementation of projects under the Project Implementation Unit (PIU), there is a requirement to hire consultants and staff from the market on a contract basis. It was highlighted that the project based positions need to be created by the Sindh TEVTA Board in accordance with its powers under Section 14. Therefore, in order to ensure a transparent, fair, and merit-based recruitment process, those positions need to be submitted before the Board for their approval in addition to constitution of the committees as per applicable rules.

He further proposed that Board may allow the Management to discuss the matter internally and decide in accordance with the summary approved by Government in this behalf / Sindh PPRA Rules and Sindh TEVTA APT Rules.</td><td>decide the matter in accordance with relevant rules / approved summary, and if needed to bring in forthcoming BoG meeting for its consideration.</td></tr>
<tr><td>6.1</td><td>Engagement of Consultants on Market-Based Package for One Year</td><td>Sindh TEVTA is facing acute shortage of staff. Currently, it is running its institutes and offices with less than 50% staffing. On the other hand, Sindh TEVTA is implementing institutional reforms, digital transformation initiatives, infrastructure modernization, donor engagement, and curriculum upgrades. The complexity and technical nature of these initiatives require specialized expertise. Moreover; out of six positions of directors, only 4 are filled, in which two are retiring in next couple of months. To ensure timely implementation of strategic reforms and technical projects, it is proposed to engage qualified consultants on a market-based remuneration package for a period of one year, extendable based on performance and work requirements. The following work / assignment have been identified for engagement of consultants

	Contingent Paid Staff	strengthen institutional capacity and enhance operational efficiency, it was proposed to engage interns. The objective was to engage qualified young professionals who assist different departments in technical, planning, finance, IT, HR, procurement, monitoring, and administrative functions. Henceforth; it is proposed to engage officials on contingent paid staff as per Government policy for 89 days. It is pertinent to mention that in a previous meeting of the Board of Governors, engagement of interns was approved at a stipend of Rs. 35,000/- per month, and accordingly, interns were engaged through universities / available pool of CVs. However, considering prevailing market rates, inflationary trends, it is proposed to approve revision of the stipend at rate of minimum wage of workers per month. The financial implication for both interns and contingent paid staff will be met from the approved budget under the relevant head of account. Moreover; existing interns shall be replaced (after expiry of their tenure under their terms of engagement) with contingent paid staff on minimum number against the vacant Class-IV and Junior Clerk positions of Sindh TEVTA HQs, to support day to day official work in next Financial Year. The Board may like to approve engagement of earlier interns, revision of stipend and engagement of future staff under contingent paid staff as per government policy. The Board member Mr. Kamran Arvi sought input on difference between interns and contingent paid staff. The Deputy Secretary Finance stated that interns can only be engaged for training purpose and maximum of upto 3 to 6 months as per policy, therefore, he endorsed the shifting from interns to contingent paid staffing against the vacant posts of Class-IV and Junior Clerks at STEVTA HQs.	
6.3	Approval - Annual Repair & Maintenance of Institutes / Offices	The Managing Director shared that regular repair and maintenance (R&M) are essential to ensure safe, functional, and conducive learning environments. However, since establishment of Sindh TEVTA, no regular and maintenance funds are allocated for its institutes and offices. He briefed some of the statistics that 99 existing institutes / offices have either no or damaged boundary wall, 16 have no main gate, 21 have no main electricity connection, the existing lawns of 26% institutes are unmaintained, 17% have no drinking water facility, washrooms in 84 are non-functional / need repair. The aging infrastructure and limited routine maintenance, civil structures require periodic repairs, electrical systems need maintenance and rewiring, plumbing systems require replacement / upgradation,	The Board appreciated the proposal and endorsed it.

<tr><td>6.5</td><td>Revised Estimates – Sindh TEVTA Budget Financial Year 2025-26</td><td>The Managing Director apprised the Budget for FY 2025-26 approved by Sindh TEVTA Board in its earlier meeting. However, in last quarters, certain heads of budget require revisions as proposed below:

1) Employes Related Expenditure (ERE): It is stated that, the Employees appointed by the authority as Public Servants had been retired on attaining superannuation age of 60 year, in accordance with STEVTA APT rules 2012, rule 17 (2). The officers and staff of the authority are entitled for pension & Gratuity in accordance with the rules applicable to regular government employees. However, STEVTA has disbursed the pension during current financial year, the Gratuity/ commutation alongwith the pension arears of various eligible retired and family pensioners have not been disbursed as yet due to shortfall of funds, currently the summary for the funds amounting RS. 210 million in lieu of the shortfall of funds of Employees related expenses has been approved, STEVTA will receive the funds through Revised Estimates of FY-2025-26. Therefore, employees</td><td>Board after detailed deliberation approved the Revised Estimates for FY 2025-26.</td></tr>

		arrears of Gratuity / commutation & pension alongwith anticipated expenditure of retiring employees up-to June 2026 has been worked out as amounting to Rs. 36.984 million to clear the backlog of last five years. **2) PAF - Shaheen Vocational Training Institute (SVTI), Nawabshah, Jacobabad** It is stated that, STEVTA is undertaking the joint venture with Pakistan Airforce for the following three training institutes and the funds were being allocated from the PPP head of Government grant: 1. SVTI, Faisal Base 2. SVTI, Shaheed Benazirabad 3. SVTI, Jacobabad. However, during current financial year, STEVTA floated the summary for Honorable Chief Minister Sindh for allocation of separate funds for aforementioned 03 entities on the pattern of PITE (Pano Akil Institute of Technology), whereby the Finance Department Government of Sindh observed that, the budgetary allocation for "Public Private Partnership (PPP) for STEVTA Institutes" has already been enhanced by the Government of Sindh from 105.00 million to Rs. 130.00 million and advised that the subject requirement of funds may be adequately met from within the existing budget during the current financial year 2025-26. In budget 2025-26 of STEVTA approved by the BoG, there were no allocation of budget for the Shaheen Vocational Institute, Jacobabad & Nawabshah. Accordingly, the Revised Budget Estimates for the Shaheen Vocational Institute, Benazirabad and Jacobabad only under the salary Heads i.e. contingent paid staff & visiting faculty and others from the PPP functional cum Object head has been prepared for approval. The Board is requested approve Revised Estimates of Current Financial Year 2025-26 amounting Rs. 9.6 Million.	
6.6	Budget Estimates – Financial Year 2026-27	The Managing Director apprised that Sindh TEVTA gets annual grants under its Act for performing official business on annual basis. Presently, the Government is preparing Budget Estimates for FY 2026-27. In annual demand to Government, the Budget Estimates for FY 2026-27 are prepared for approval of Board in accordance with Section-7(c) of the STEVTA Act 2009. Advance copy of the same has been submitted to U&B / Finance Department. Further, the current classification of some heads need revision to align	The Board approved the Budget Estimates for FY 2026-27 of PKR 4,745.655 Million.

7.1	Approval of Public Private Partnership (PPP) MoUs	With the approval of the then Managing Director / Chairperson Sindh TEVTA, the following interventions under Public Private Partnerships were made: **1. Memorandum of Understanding with Ignition Pro** STEVTA entered into MoU on 8 Jan 2026 with Ignition Pro School for Entrepreneurs to introduce internationally recognized, skills-based and entrepreneurship-focused training programs in Sindh, initially for 5 years at the Government Institute of Business & Commercial Education, Malir, Karachi. The collaboration includes provision of training space by STEVTA, while Ignition Pro is responsible for program design, international partnerships, faculty deployment, and operational costs. A 50% seat allocation is reserved for STEVTA-nominated students, with a 50:50 revenue-sharing model for private enrollments. The MoU supports Transnational Education (TNE) pathways, promotes employability and self-employment, and aligns with provincial priorities for skills development, with planned expansion to interior Sindh through hybrid delivery models. **1. Memorandum of Understanding with AL-Kawthar University** This Memorandum of Understanding (MoU) between the Sindh Technical Education & Vocational Training Authority (STEVTA) and Al Kawthar University, signed on 03 February 2026. It establishes a long-term public–private partnership for the development and delivery of demand-driven technical and vocational education at B.Tech unutilized block of GPI 51-A, Korangi, Karachi. Under the agreement, STEVTA has allocated two blocks to Al Kawthar University to transform the institute into a Centre of Excellence, offering short courses, diploma, and DAE programs in key sectors such as IT, electrical, healthcare, and emerging technologies including AI-assisted education. The Second Party will undertake full infrastructure renovation, provide equipment, and manage training delivery, while STEVTA will facilitate regulatory oversight, certification, and institutional support. The MoU emphasizes affordability, inclusion (including quotas for women and low-income students), and measurable performance outcomes such as certification and job placement rates. It also includes joint	The Board approved the MoUs in principle, and desired to seek opinion of Law Department if not taken earlier. Further, in future, Sindh TEVTA shall follow Sindh Government's PPP Act.
